

INVITATION LETTER

It is our great pleasure to invite you to the 5th edition of **Romanian Surveying Week (RSW)**, organized by the **Romanian Surveyors Union (UGR)** in partnership with the **Faculty of Geodesy, Technical University of Civil Engineering Bucharest**, and in collaboration with **International Federation of Surveyors (FIG) Commission 9 "Valuation and the Management of Real Estate"**, **European Group of Surveyors (EGoS)** and the **National Agency for Cadastre and Land registration (ANCPI)**. The event will take place at the Sheraton Bucharest Hotel, Romania, between 23rd and 26th of October 2024.

The main manifestation during the 5th edition of RSW is the **International Symposium GeoPreVi 2024**, the scientific event of the Faculty of Geodesy.

The generous theme of the **International Symposium GeoPreVi 2024** – the central part of the event - "**Geodetic Engineering at the Service of the Community**", will bring together specialists from geodesy, surveying, cadastre, valuation and land management, local administration, GIS and other related fields.

This year's edition of RSW will be opened by the 7th FIG Young Surveyors European Meeting on the topic "**Building Together: Surveyors Leading Tomorrow's Challenges**"

During the second day of the RSW, **FIG Commission 9** and **EGoS** will cover the topic "**Transparency in the Real Estate Market and Dealing with Geodata**", related to the main goal of FIG Commission 9, definition and improvement of transparency in the property market.

The international symposium will give the participants the opportunity to present papers, debate and communicate in a professional and scientific manner, highlighting their own contribution and finding out technical solutions to promote modern technologies and surveying methods in the current context of the society. Special sessions dedicated to Young Surveyors will benefit from significant support from our sponsors.

The GeoPreVi 2024 Symposium, along with roundtables and social activities organized within the Romanian Surveying Week in Bucharest will offer the professional frame and environment for discussions and knowledge exchange among surveyors participating at the international event.

Sponsors and participants will present the latest technologies, solutions and projects in the technology expo.

We are looking forward to meeting you in the capital of Romania, Bucharest, on 23rd of October 2024.

Eng. **Mircea Afrăsinei**
President of
Romanian Surveying Union

Prof.habil.dr.ing. **Gheorghe Badea**
Dean of the
Faculty of Geodesy, UT CB

Peter Ache
Chair of
FIG Commission 9

Nikolaos Zacharias
President
